O R D E R:

This writ petition is filed by the petitioner aggrieved by the action of the respondents alleging that the respondents have not at valued her Bio-Chemistry Paper-I properly or not valued at all.

Therefore, this Court, after verification of the answer sheet produced by the respondents, directed the University to sent it for revaluation. In pursuance of the said directions of this Court, it is stated that the disputed paper was sent for re-valuation, as ordered by this Court, to a Professor of Karnataka, and accordingly got

it re-valued. But, however, the revaluation also shows that the petitioner has secured only 7 (seven) marks. Therefore, there is no merit in the claim of the petitioner that the answer script of the petitioner with reference to Bio-Chemistry Paper-I was not properly valued.

Under the above circumstances, the writ petition is dismissed. However, as it is represented that the petitioner has deposited a sum of Rs.10,000/- towards probable expenditure to be incurred by the respondent-University, this Court feel it proper to direct the respondents to retain only a sum of Rs.5,000/- (Rupees five thousand only) and refund the balance amount of Rs.5,000/- (Rupees Five Thousand only) to the petitioner forthwith.

The writ petition is accordingly dismissed. No costs.
